### Some skipped out.

The whiskey prosecutions are not confined to this state but are general all over the state. In our neighboring town of Plainville a standing reward of \$100 is up for any conviction of selling in that town or township, a circuit of five miles. Wakeeney has a standing \$25 reward, with money in the bank, for every conviction.

At Sylvan Grove they made another raid and the Lincoln paper says Wat Zeigler, Fox and the others skipped out.

Three weeks ago the temperance people were voting for Representative Fuller because he was on their ticket. Last Friday the same Mr. Fuller appeared as Attorney Fuller, pleading for the Ellis jointists to let them plead guilty under the Club law, pay their fine, not go to jail, and keep on running, but Judge Monroe said: "NO. Let them come in the same as any other, in Court he knew no difference between an Ellis American and a Hays or Herzog German." And the Sunday school complaints say any of those runaways will be picked up within 2 years, but if they leave the county for good, the communities are better off without them or their business.

Pete Staab, sr. got off a good joke last week. Came into Court, told the Judge he heard the sheriff only fed prisoners biled beef on Christmas, he wanted turkey and his jail sentence so as to be out by Christmas, so the Judge called the Court to order and said "30 days in jail, \$100 & costs."

Peter was happy with visions of turkey, and went to jail. But he soon appeared and convulsed the court. "See here Judge, when I plead guilty I thought I could spend a month with Americans, have American eatin, smoke their cigars and learn English, but when me gets in jail, me finds no Americans, only deitchermen, smoking pipe. How comes dat?"

It was remarked no one was picked up at Walker. No down there when one opens the farmers' send word to them thro' the P.O. "Close up in 3 days or stand complaint" And he shuts up.

At all the churches last Sunday appropriate Resolutions were passed congratulating and thanking the county officials for abating the saloons which were not only destroying the home, and a man's intellect and morals. The Ladies Saturday Afternoon Club also passed suitable resolutions.

In the Lin Edwards case attorney Bryant cleared him on the ground that the complainant did not personally know of violation, only what heard and believed. So case dismissed and the District court took a whirl and Lin left. As it holds 2 years better plead to one count and have it over.

The Kansas law exempts sale of intoxicating liquors for medicinal purposes and our town were surprised to find that two of the doctors of Hays who testified in one of the whiskey cases that they had bought and drank the stuff there but didn't know whether it was whisky and beer.

Denken Sie sich nicht zu arm oder gar zu reich, um Arbuckles' Kaffee zu benutzen. Es ist weder das Eine, noch das Andere der Fall. Die berühmte Gattung ist so hergestellt, daß sie dem Geschmack der Mehrgah und nicht der Benigen entspricht. Dies ist der beste geschmackvolle Kaffee (von irgend einer Kaffee-Sorte der Welt. Der eigenartige Prozess — durch eine luftdichte Hülle von nahrhaften Substanzen — der hier angewandt wird, den Geschmack des Kaffees zu erhalten, erklärt die ungewöhnliche Güte desselben. Der ungeheure Ankauf und Verkauf von Arbuckles' Kaffee erklärt seinen niedrigen Preis. Die vielen Gegenstände, die Sie frei mit Arbuckles' Kaffee erhalten, die theilweise zum Kauf gehören, haben denselben so populär und bekannt gemacht. Versuchen Sie ein Paket. Lassen Sie sich vom niedrigen Preise ja nicht abhalten. Beurtheilen Sie ihn seiner Güte nach, ganz abgesehen vom Preise.
